YEAR OF FAITH

VIRTUE IS NOT SOMETHING TO KNOW, BUT TO DO.

For November all students will learn about the virtue of **STEWARDSHIP: Returning to God the first fruits of your time, talent, and treasure.**

PreK-2nd Grade: St. Elizabeth of Hungary was a queen who had many treasures, but she spent her money to feed the poor people in her kingdom.

Grades 3-5: Blessed John of Fiesole was a very talented artist who painted large, beautiful images of Jesus, Mary, and many of the saints. He believed that to paint a true image of Jesus, the painter had to be Christ-like and therefore he began all his paintings with prayer.

Grades 6-8: St. Joseph Moscati was an incredible man who was a doctor who was instrumental in the successful evacuation of a hospital destroyed by a volcano, researching and developing measures to halt the spread of cholera, and in being one of the first physicians in his area to use insulin in the treatment of diabetes.

Throughout the year, our students, Pre-K through 8th grade, will work through a study of virtues to spiritually grow through understanding and action of our Christian virtues. Each month the same virtue is taught across all grade levels, but primary, elementary and middle school ages will learn about different saints regarding the virtue of the month.

For the 2020-2021 school term we have the **Year of Faith** upon us. At SHCS we focus on idea that "faith works" (Gal 5:6) and emphasize service projects. Where again, a virtue is not something to know, but to DO.

ANNOUNCEMENTS

Box of Joy

Be a Christmas miracle! Box of Joy sends boxes filled with school supplies, a rosary and the Story of Jesus to the children in developing countries. Please consider

donating pencils, markers, and crayons; as well as a \$5 donation to help cover shipping expenses. All \$5 donations will allow your student to dress down on November 13th.

Fall Raffle Ticket Fundraiser

Although we are not having our annual Fall Festival this year, we will continue our fundraiser selling raffles tickets. NOTE -- the date on the ticket states the raffle will be held on October 3rd but **that date is being changed to 3 December**. This will give each family two months to sell the raffle tickets or purchase them. This is our only fund raiser this fall so please contribute with time, energy and resources to make this raffle a success!

If you were unable to pick up your Raffle Tickets during parent teacher conferences, your Raffles Tickets will be sent home this week with your student.

Archery Practice

Students are welcome to try Archery until November 2nd. Practices are held on Mondays and Thursdays, from 3:30-5:30, starting October 26th. There is no need to purchase anything to participate. Masks will be worn for the entirety of practice, and students will stay with their grade classmates and not mix with others. After Halloween, students who wish to keep participating in Archery will need to turn in a signed eligibility form and commit to being a member of the team.

Mount de Sales Soccer League

The league will run from November 2-December 2 (taking the week of Thanksgiving off). SUNDAY MASS AT HOME

Each week we will continue the message heard from Sacred Heart Catholic Church's Sunday Mass here in our weekly newsletter.

This week in Matthew 5: 3-12a, honors all men and women who have followed in the footsteps of Jesus. The blessed, or happy, are those disciples who are simple and humble before God, those who mourn for others, those who are poor and hungry, those who forgive and show mercy, those who seek peace, those who fight for justice, and those who respond to evil and suffering with goodness. Jesus teaches that true happiness and joy comes in following this difficult road to discipleship.

Being Jesus' disciple is very hard, but the saints are wonderful examples that ordinary people can do it.

VIRTUS - What is it?

Child sexual abuse is a worldwide public health issue. Child abuse, particularly child sexual abuse, is reprehensible—especially when the wrongdoer is affiliated with the Church/School. The VIRTUS programs assist the Church/School in being a safe haven for children and a messenger for preventing child sexual abuse within the Church/School and society in general. We seek to achieve this lofty goal through our child sexual abuse prevention program: [Protecting God's Children](#).

Anyone who will have contact with our students here at SHCS MUST be VIRTUS trained. That includes volunteering at any capacity within our school from classroom parties to lunch support to field trips. We take this very seriously, as we should, and will NOT allow anyone not VIRTUS trained to participate on any level. Please visit [virtus.org](#) to create your account and sign up for an online class today!

Please contact [Lori Yann](#) if you have any questions or concerns.

Easy ways to help the school raise money!

THE OLD BOX TOPS CLIPS

Traditional Box Tops clips are being phased out of production, but may continue to be found on many products throughout the store. You can still clip and send them to school.

Every valid Box Tops clip is worth 10¢ for your school. Make sure each one has a clearly visible product acronym and expiration date.

** All valid Box Tops clips submitted per the Program Rules by a Coordinator(s) of (an) eligible, enrolled school(s) will be honored.*

THE NEW BOX TOPS LABELS

Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging from a traditional Box Tops clip to the new Box Top label.

If you see this label, use the new Box Tops app to scan your receipt. **Box Tops are still worth 10¢ each for your school.** The app will find participating products purchased at any store and instantly add cash to your school's earnings online.

Download Box Tops for Education App to get started. To redeem digital box tops scan your receipt within 14 days of purchase. This means real time updates and processing, saves times (no more clipping), saves money on shipment, and

allows special bonus offers. For additional information parents can access BTFE.com or can email rosebargender@yahoo.com. Thanks for your support as every box top is 10 cents for the school!

Publix Partners

Please sign up for a Publix.com account and designate our school as the Publix Partners recipient. You will enter your account and phone number every time that you checkout at Publix to receive credit for qualifying purchases.

Kroger Plus Card

Kroger's Community Rewards Program. If we had every family that shops at Kroger get signed up we would get a significant check a couple times a year. Please log on to your Kroger Plus account and choose Sacred Heart School as your organization.

Operation RoundUp. Participating members allow Flint Energies to round up their electric bill to the next whole dollar. Your contribution would then be pooled with those from other participants and distributed to worthy causes. A few cents doesn't sound like much, but if every Flint Energies member participated they could round up more than \$500,000 per year. All contributions are tax deductible as well! Please [Click Here](#) to enroll today!

You shop. Amazon gives.

When you shop at smile.amazon.com, Amazon donates to your favorite charitable organization. It is another wonderful, easy way to give to SHCS. Please be sure to designate SHCS as your recipient.
