Will meet every Tuesday from 4:00-5:00  
Meetings will be held in Science Room 212

\*Children will go to after care for no additional fee after school for a snack\*

TECH-ES is a STEM club designed for Third through Fifth Grade students. In TECH-ES club members explore Circuits, Chemistry, Math Application, Design, Testing, and “How Things Are Made”. Currently students are building bridges to test to failure. Our first bridge tested failed at 25 lbs., which is amazing for a bridge of just popsicle craft sticks and glue.

**PART D: Liability Waiver**

As a parent/guardian who is legally responsible for any personal actions taken by the above name minor (“participant”):

I agree on behalf of myself, my child named herein, or our heirs, successors, and assigns, to hold harmless and defend Sacred Heart Catholic School, its officers, directors, employees and agents, chaperons, or representative associated with the event, from any claim arising from or in connection with my child attending the event/club/activity or in connection with any illness or injury (including death) or cost of medical treatment in connection therewith, and I agree to compensate the school, its officers, directors associated with the event for reasonable attorney’s fees and expenses which they may incur in any action brought against them as a result of such injury or damage, unless such claim arises from the negligence of the school/diocese.

We strive hard to ensure every child shines at Sacred Heart Catholic School! One part of achieving this goal is ensuring every parent commits to bringing their child(ren) to all practices and events and understands that he/she may be asked to leave the team if he/she misses an excessive number of practices or events, demonstrates poor sportsmanship, has behavioral issues or doesn’t remain compliant with Academic Achievement requirements. Please keep in mind joining this club is not only rewarding, it’s a commitment!
